

## LIST of Publications available at ATIC for Sale

Sl.No.	Product Name	Rate
1	Alternaria Blight of Rapeseed-Mustard (English)	30
2	Alternaria Leaf Blight of Cruciferous Vegetables (English)	30
3	Alternaria Leaf Blight of Sunflower (English)	30
4	Annona (Seethaphala) (Kannada)	30
5	Anthraco nose of Grapes (English)	35
6	Anthraco nose of Mango (English)	30
7	Appemidi (Kannada)	100
8	Ashwagandha (English)	15
9	Banana Special – Foliar Nutrition of Banana for higher yield and quality (Hindi)	5
10	Betelvine (English)	5
11	Bio-intensive management of brinjal shoot and fruit borer, Leucinodes orbonalis (English)	3
12	Biological control of Mango inflorescence hoppers Idioscopus spp (English)	3
13	Biological control of Tea Mosquito Bug Helopeltis antonii on guava (English)	3
14	Bird of Paradise (Strelitzia reginae L.) A Hight Value Crop for Doubling Farmers' Income (English)	250
15	Centella asiatica: Memory boosting medicinal herb (English)	10
16	China aster (English)	15

17	Citrus Special – Foliar Nutrition of citrus for higher yield and quality (Kannada)	5
18	Citrus Special – Foliar Nutrition of citrus for higher yield and quality (Hindi)	5
19	Compendium of Natural Enemies of Insect and Mite Pests of Fruit Crops in India (English)	800
20	Cultural operations to improve bunch and berry quality in seedless grapes - after forward pruning (English)	5
21	DNA Barcoding of Economically Important Fungal Species of Field and Horticultural Crops (English)	195
22	Dragon Fruit in India (Kannada)	100
23	Economics of Post Harvest Loss and Marketing Efficiency in Fruits and Vegetables (English)	65
24	Enhancing productivity of 'Alphonso' mango ( <i>Mangifera indica</i> L) through high density planting involving vigour regulating rootstocks and growth retardant application (English)	50
25	Fig ( <i>Anjura</i> ) (Kannada)	22
26	Good Agricultural Practices in Mango (English)	100
27	Herbs for Household (English)	70
28	Home Remedies and Recipes of Betelvine (English)	20
29	Honey Bee Farming (Kannada)	10
30	How to Grow Amaranth (English)	3
31	Hybrid Seed Production Techniques in Okra (English)	100
32	ICAR-IIHR Rose Varieties for Open Field (English)	10
33	Information on Soil, water, plant, manure and fertilizer and chemical amendments analysis facilities (Kannada)	3
34	Insect and Mite Pests of Citrus in India Monograph (English)	300

35	Insect Pests of Sapota in India Monograph (English)	300
36	Integrated Water and Nutrient Management Technologies in Fruit Crops (English)	50
37	Integrated Water and Nutrient Management Technologies in Horticultural Crops (English)	40
38	Jamun- A Future Crop of India (English)	30
39	Laboratory Manual for Molecular Identification of Plant Pathogenic Fungi (English)	65
40	Laboratory Manual for Phytophthora infestans on Tomato (English)	75
41	Laboratory Manual on Biological Control of Plant Disease (English)	65
42	Leaf Analysis in Fruit Crops (English)	5
43	Leaf Spot of Mungbean and Urdbean (English)	25
44	Management of Jamun seed borer (English)	10
45	Management of Nematodes on Capsicum and Tomato Grown under Protected Conditions (English)	10
46	Mango (Maavu) (Kannada)	50
47	Mango Catalogue (English)	500
48	Mango Fruit Borer Management (English)	15
49	Mango Fruit Borer Management (Kannada)	15
50	Mango Stem Borer using 'Arka Borer Control' (English)	10
51	Microbiological Safety Specifications and Protocols for Horticultural Food Products (English)	115
52	Mushrooms for Nutrition and Environment Sensitive Agriculture (English)	100

53	Nutritional Characteristics of Underutilized Crops with Future Potential (English)	150
54	Pest Management in Betelvine (English)	25
55	Pesticide Residue Management in Mango (English)	50
56	Pesticide Residue Management in Mango (Kannada)	50
57	Phytophthora Blight of Capsicum (English)	30
58	Post Harvest Losses in selected Fruits and Vegetables in India (English)	70
59	Post Harvest Management and Value Addition in Aonla (English)	25
60	Production Technology of Edible and Medicinal Mushrooms (English)	100
61	Production Technology of Capsicum (Hindi)	19
62	Production Technology of Chilli (Hindi)	15
63	Production Technology of Edible and Medicinal Mushrooms (Kannada)	100
64	Production Technology of Flower Crops (Kannada)	150
65	Production Technology of French Bean (Hindi)	17
66	Production Technology of Fruit Crops (Hindi)	350
67	Production Technology of Fruit Crops (Kannada)	240
68	Production Technology of Jasmine for Essential Oil (English)	5
69	Production Technology of Medicinal Crops (English)	150
70	Production Technology of Tropical and Subtropical Fruits - A Hand Book (English)	300

71	Production Technology of Vegetable Crops - A Hand Book (English)	275
72	Production Technology of Vegetable Crops (Hindi)	250
73	Production Technology of Watermelon and Muskmelon (Hindi)	19
74	Purple Leaf Blotch and Stemphylium Blight of Onion and Garlic (English)	30
75	Red Rot of Sugarcane (English)	35
76	Ridge Gourd Disease Management (Kannada)	15
77	Saline Soil Management in Horticulture Crops (Kannada)	10
78	Sapota (Chikku) (Kannada)	27
79	Scientific Cultivation of Mango (Kannada)	60
80	Short and Long Term Storage of Fungal Cultures (English)	30
81	Technology Commercialization @ICAR-IIHR (English)	100
82	Technology Commercialization in Horticulture (English)	250
83	Technology Commercialization in Horticulture (Hindi)	260
84	Technology for Cultivation of Shitake Mushroom (English)	5
85	The Art and Science of Vertical Farming (English)	40
86	Varieties & Technologies (English)	150
87	Vegetable Special – Foliar Nutrition of Vegetables for higher yield and quality (Hindi)	5
88	Velvet bean -a versatile medicinal legume (English)	5

89	Velvet bean -a versatile medicinal legume (Kannada)	5
90	Zinc Nutrition in Coorg Mandarin (English)	5
